

PERSONAL LINES

At Armstrong & Associates Insurance Services, we believe in helping people find the best coverage available to protect their family and valuables. We work closely with all our individuals and families to make sure they're covered properly by a top-rated insurance company at the best price. That's why we offer complete programs for all areas of personal coverage, from home and auto to life and health insurance and more.

Our Personal Lines Agents thoroughly review each client's insurance policies while researching the marketplace for the most comprehensive and cost-effective policies. Our recommendations are based solely on the individual needs of the client.

CLIENT SERVICES

In Depth Customer Education

As coverage and policies become more complex, our clients rely on their Personal Lines Agent for an easy-to-understand, detailed overview of each policy presented.

Policy Changes

Our licensed Personal Lines Staff processes all policy change requests within 24 hours of written receipt.

Claims Processing

We facilitate the handling of every claim between clients and insurance companies to ensure the best service and most efficient process.

Annual Policy Review

Upon annual renewal, all policies are reviewed to verify that current coverage is adequate for each client's specific needs.
