

PATTY LARIS

Manager Southern California, PERSONAL LINES

Patty Laris is the Manager of the Personal Lines division of Armstrong & Associates Southern California operation. Patty has over 10 years of experience in Auto, Homeowners, Earthquake, Flood, Renters and Property insurance and caters to individuals and families.

Patty began her career as an underwriter for a large personal lines insurance brokerage in Los Angeles. After spending a number of years reviewing individual risks and underwriting insurance policies Patty's outgoing and warm personality led her into a client sales and service role within a large local credit union. It was in this role that Patty honed her impeccable customer service skills. Patty utilizes both her keen underwriting abilities and customer service know how to provide a unique and educated perspective to each Armstrong & Associates Personal Lines client.

Patty is on the cutting edge of the latest trends and products available in the Personal Lines marketplace. She regularly attends continuing education classes and seminars to make sure she has the knowledge and information her clients require. Patty builds lasting relationships with the companies she represents as an agent and the clients she works for as a broker. These relationships allow Patty's clients to receive the best advice, policies, and rates available.

Patty was born and raised in Southern California and lives in the San Fernando Valley with her husband and daughter. When she is not in the office Patty enjoys travelling with her family.

Patty's goal is to be each of her client's Personal Insurance Partner.
